

In order for the Committee to comply with Insurance obligations and the COVID-19 guidelines required by Tennis Scotland for the safe reopening of venues, tennis players are asked to please comply with the following:-

- The club is closed to all non members.
- As we are the only tennis club open in the area, it is important to keep the courts locked.
- Please clean gate lock and bolt at courts, before and after use.
- Items not to be touched will be hazard-taped.
- There is a wall mounted hand sanitizer attached to the tennis pavilion - please use.
- **One hour slots should be booked on the WhatsApp tennis group.** This acts as our record in case contact tracing is required and ensures limited numbers at the courts at any one time.
- Use your own marked tennis balls. Do not touch any others.
- Play singles, unless from the same household, when doubles can be played.
- Social distancing to be maintained - 2 metre lines marked at main gates and at court gate.
- Tennis nets will be set to correct height - avoid using the winders.
- Wear gloves if using court maintenance items.
- If you have any Covid-19 symptoms, do not play.
- Full Tennis Scotland Guidelines are displayed at the tennis pavilion.

Thank you.
